

BLACKHAWK HOBBY DISTRIBUTORS, INC. E-COMMERCE SIGN UP FORM

Please fill this form out completely. We recommend that the owner or officer of each account have a separate log-in from other users. This is due to being assigned "Supervisor" status within the website. We suggest that only the owner or officer be assigned such rights. So, a store that has only one person communicating with Blackhawk would probably have only one User ID. You may set up separate users for each employee you want to access the site too. You may choose whether or not each person has ordering rights, or supervisor rights (as we've already said, not recommended). Each application must be faxed or mailed back, as we must have the owner's signature on each application.

I agree that my Account will be responsible for whatever actions the person I am requesting access for may take online. This includes ordering and any account changes this person makes while online. I agree that if a person's employment is terminated that I IMMEDIATELY suspend their access and notify Blackhawk Hobby Distributors, Inc., at webmaster@blackhawkhobby.com to have them removed from the system. I agree that only employees of my organization will have access to the ordering system, and that passwords or access will not be shared with Blackhawk's competitors.
